# ROSS TELLS GRANT TO "GO TO HELL."

St. Louis, April 13 .- The Republican's Washington telegram gives the following account of the scene between Senator Ross of Kansas, and the President:

Mr. Ross protested against the nomination of Babeock for Surveyor of the State, and added that Pomeroy and Clark had been making pretty much all the appointments for Kansas. Grant replied that it was uscless to say more, as his mind was already made up on the Surveyorship. Rose continued protesting, when Grant said :

"I tell you my mind is made up. don't want to bear any more."

Ross replied, "Go to hell! then."
Grant moved towards him and said "Get out of this house instantly, and wever set your foot in it again." Ross without a word, at once left.
